

Apprentice Architectural Technologist – Cumbria

JOB TITLE:	Apprentice Architectural Technologist
LOCATION:	Cockermouth, Cumbria
TERMS:	Permanent/ Apprenticeship/ Inc. part time education Full Time (37.5 hrs per week)
SALARY/RATE:	Salary £17,000.00 - £26,000.00 (on completion of degree)

Would you like to start your career in a professional role with the opportunity to train?
Are you seeking a job where you can learn new skills and develop your work experience?

Align Property Partners are offering a fantastic opportunity as an Apprentice Architectural Technologist based in Cockermouth, Cumbria.

ABOUT US:

We are a single source building design consultancy, consisting of Architects, Building Surveyors, Estate Surveyors, Project Managers, Mechanical and Electrical Engineers, Highways Engineers, Structural/Civil Engineers, Quantity Surveyors, Property Management Advisors, CDM, Sustainability and Fire Advisors.

Based in five offices in the North of England (Northallerton, Otley, Cockermouth, Kendal & Durham) our award winning, integrated multi-disciplinary team have over a decade of experience in delivering a wide range of building projects across many sectors.

Align Property Partners is a Limited Company, wholly owned by North Yorkshire County Council. The scope of APP is dynamic and diverse, from valuing small gardens to multi million pound listed structures including schools, fire stations, care homes and other public and commercial buildings across the UK.

ABOUT THE ROLE:

As an Apprentice Architectural Technologist, you will be responsible for assisting our team of architects and technologists develop concept designs and construction information for a wide range of projects across the region. The role will include the use of both CAD & BIM systems, visiting sites, preparing presentations, reports, schedules and specifications. You will work as a member of the Architectural team within a multi-discipline design organisation.

You will receive full training with enrolment on a Design and Construction Management degree (level 6). This is an apprenticeship training course recognised by the Chartered Institute of Architectural Technologists (CIAT). The course duration is typically 48-60 months.

In return, we will;

- Provide you with a supervised programme of apprenticeship training
- Offer on the job experience to help you gain valuable skills
- Provide opportunities to network with like-minded individuals who work in similar roles
- Provide weekly day release to University
- Offer a competitive salary as you progress towards a degree level qualification
- Pay your travel expenses to University

- Offer 24 days annual leave per annum plus Bank Holidays
- Help you study towards professional accreditations

CANDIDATE REQUIREMENTS:

We are seeking a motivated individual who is keen to learn and who is committed to a career in architecture. For the Apprentice Architectural Technologist you will:

- Have an analytical mind and enjoy problem solving
- Have an eye for detail
- Be highly motivated and be willing to work as a member of a team
- Have a positive and can do attitude
- Be professional and have good communication skills
- Take pride in your work
- Methodical way of thinking
- Time management
- An interest in the built environment

ESSENTIAL REQUIREMENTS:

- Good academic record
- Good IT skills including knowledge of Microsoft Package
- Good communication skills both written and verbal
- Minimum 5 GCSE Grades A-C/5-9 including Maths, English and Science and/or
- A Level grades suitable for direct entry onto accredited p/t apprenticeship course
- Driving Licence or willing/working towards obtaining a UK Driving Licence

ABOUT THE QUALIFICATION:

Course: Architectural Technology Degree Apprenticeship (level 6) - **Fully Funded**
Provider: University of Central Lancashire
Course Link: [Architectural Technology BSc Degree Apprenticeship - UCLan](#)
Location: University of Central Lancashire, Preston Campus
Study: Part Time (5 Years) / Day Release

CLOSING DATE: 05/06/2022 (Shortlisting W/C 06/06/2022)
