<b>JOB TITLE:</b>	Apprentice Mechanical Building Services Engineer
<b>LOCATION:</b>	Northallerton
<b>TERMS:</b>	Permanent/ Apprenticeship/ Inc. part time education Full Time (37.5 hrs per week)
<b>SALARY/RATE:</b>	Salary £17,000.00 - £26,000.00 (on completion of HNC/degree)

Would you like to start your career in a professional role with the opportunity to train?  
Are you seeking a job where you can learn new skills and develop your work experience?

Align Property Partners are offering a fantastic opportunity as an Apprentice Mechanical Building Services Engineer based in Northallerton.

### **ABOUT US:**

We are a single source building design consultancy, consisting of Architects, Building Surveyors, Estate Surveyors, Project Managers, Mechanical and Electrical Engineers, Highways Engineers, Structural/Civil Engineers, Quantity Surveyors, Property Management Advisors, CDM, Sustainability and Fire Advisors.

Based in five offices in the North of England (Northallerton, Otley, Cockermouth, Kendal & Durham) our award winning, integrated multi-disciplinary team have over a decade of experience in delivering a wide range of building projects across many sectors.

Align Property Partners is a Limited Company, wholly owned by North Yorkshire County Council. The scope of APP is dynamic and diverse, from valuing small gardens to multi million pound listed structures including schools, fire stations, care homes and other public and commercial buildings across the UK.

### **ABOUT THE ROLE:**

As an Apprentice Mechanical Building Services Engineer, you will be responsible for producing design calculations, general arrangement mechanical services layout drawings, sections and detailed drawings for construction using a Computer Aided Design (CAD) system, carry out building surveys and write reports and Schedules of Conditions and work as a member of the Building Services team within a multi-discipline design organisation.

You will receive full training and it is expected that you will progress to a HNC/Degree level via day-release to university.

In return, we will;

- Provide you with a supervised programme of apprenticeship training
- There may be the opportunity to progress to a higher level apprenticeship (level 6)
- Offer on the job experience to help you gain valuable skills
- Provide opportunities to network with like-minded individuals who work in similar roles
- Provide weekly day release to college
- Offer a competitive salary as you progress towards a degree level qualification
- Pay your travel expenses to college

- Offer 24 days annual leave per annum plus Bank Holidays
- Help you study towards professional accreditations

#### **CANDIDATE REQUIREMENTS:**

We are seeking a motivated individual who is keen to learn and who is committed to a career in Building Services Engineering. For the Apprentice Mechanical Services Engineer you will:

- Have an analytical mind and enjoy problem solving
- Have an eye for detail
- Be highly motivated and be willing to work as a member of a team
- Have a positive and can do attitude
- Be professional and have good communication skills
- Take pride in your work
- Methodical way of thinking
- Time management
- An interest in the built environment and sustainability

#### **ESSENTIAL REQUIREMENTS:**

- Good academic record
- Good IT skills including knowledge of Microsoft Package
- Good communication skills both written and verbal
- Minimum 5 GCSE Grades A-C/5-9 including Maths, English and Science and/or
- A Level grades suitable for direct entry onto accredited p/t HNC course
- Driving Licence or willing/working towards obtaining a UK Driving Licence
