

## About the job

### Role Summary

**Title** - Project Architect

**Salary** - £31,000.00 - £36,000.00 (depending upon experience)

**Contract** - Permanent (40 hours per week)

**Location** - Hybrid: Working from home and from our Northallerton or Otley offices.

### About the role

As we continue to expand our business, we are looking for an experienced Project Architect to join our busy team, working on a variety of projects across the north of England. If you are looking for the opportunity to be part of a successful team in a growing company you could be our next Project Architect!

You will be joining a motivated Architectural team that work as part of the company's multi-discipline workforce. Acting as a Lead Consultant you will liaise with clients and contractors, co-ordinating with the design team and producing designs as well as regulation and construction information. Other duties also include attending meetings on site when required ensuring work is completed to agreed time frames

Utilising your excellent IT skills and experience in project management you will produce schedules of work and specifications using NBS software. Previous experience will also have given you a good general understanding of JCT (Traditional / D&B) and NEC contracts

### Essential Skills / Qualifications:

- Hold RIBA Part I, II & III qualifications plus ARB registration.
- Has a minimum 3 years post Part I architectural experience in a UK company
