

About the job

About the role

As Align continues to grow, we are looking for an experienced Senior Civil Engineer to join us and become a key part of our business. This role will be hybrid mix of working from home and from one of our offices in Northallerton, Cockermouth, Kendal and Otley.

You will also have the opportunity to work with our clients throughout Yorkshire, the North West, Cumbria and the North East both remotely and on site when required.

You will be an essential part of a very busy and professional team who are part of the multi-discipline workforce, taking on significant elements of design, preparing technical specifications, attending site meetings and contributing as appropriate to planning of project work and resourcing planning of the Infrastructure team

For this role we are looking for someone qualified to degree level in Civil/Structural Engineering or equivalent with significant post-qualification experience who is fully competent in the conceptual and detailed design of infrastructure projects, including earthworks, roads and drainage. In order to meet with clients and attend site visits a full UK driving licence is an essential requirement.

If you are motivated, passionate about your work the engineering sector and want to be part of a successful team we would like to hear from you!
